

## Prakash Parcel Services Limited.

*Transportation touches every aspect of our lives either directly or indirectly. Whether, it involves our own movement or the movement of goods and perishables consumed by us. It is difficult to envisage our world without transportation. You just cannot do without Transportation!*

### Company Profile

**Prakash Parcel Services (PPS)** was established in 1992 as a distinct constituent of PAFAX Couriers which was subsequently acquired by the giant FEDEX.

PPS was started by promoters with more than 40 years of experience of the Logistics Industry and a passionate belief of transforming lives through transportation, a belief that transportation offers services to the country like the arteries supplying blood to the body.

PPS today has a group turnover in excess of Rs. 5 billion (500 Crores) per annum with more than 300 own branches across India, Nepal & Bhutan. It has a modern fleet with built-in GPS tracking system delivering to various SAARC countries.

PPS continued focus on modernization of its infrastructure and with a team of over 3500 professionals and complete computerization of all processes and operations, has helped it grow rapidly, offering seamless and customer centric services irrespective of client size or the volume of business. This focused attitude has helped PPS grow cumulatively over 1000 % in the last 10 years.

#### **PPS Fleet & Infrastructure:**

PPS today has over 250 vehicles, trucks and trailers in addition to 400 dedicated attached vehicles. It has its own forklifts, cranes and material handling equipment at various locations and also possesses hosting capabilities at various heights and rooftops through mechanized chain pulleys and cranes.

PPS operates through its 11 Regional and 35 Area offices and over 300 own branches across India, Nepal & Bhutan.

PPS has fully serviced and operational 8 major transshipment hubs at strategic locations and region wise services including Guwahati and Jammu.

## Our Services

**Warehousing:** For over 20 years, PPS has partnered with its clients to improve their customers' satisfaction and loyalty. PPS's warehousing solutions are designed to improve flexibility with minimum risks. Our on-demand product portfolio is in close proximity to the distribution channels. This helps to reduce costs, lead-time, and inventory overheads. Our efficient solutions allow us to add cost reductions, deliver faster time to market and deliver improved productivity.

Whether your company is a start-up, a MNC, or in between, PPS can respond to your needs with an infrastructure and staffing built for speed, flexibility and partnership.

- Professional Warehouse Logistics teams to help grow your business
- Online Inventory tracking for maintaining accurate records.
- Affordable prices & excellent service 365 days a year!
- We co-ordinate with your suppliers to give you a hassle free experience.
- We develop affordable logistics plans for storage.

**Part Load:** PPS offers Part Load services for cargos over one ton on dedicated delivery basis across India, Nepal and Bhutan including the north eastern states and Jammu Kashmir It also offer Part Load services for cargoes less than a ton within its branches in over 300 locations across India, Nepal and Bhutan.

PPS offers up to 15 days storage in its own warehouses at most locations, door delivery and pick up service backed by GPS tracking at a nominal additional cost.

**Full Load:** PPS offers Full Load & LCV services to over 1000 destinations in India, Bangladesh, Nepal and Bhutan. In fact, select any destination from the map of the sub continent and PPS will deliver for you!

Features of these services include:

- Time bound Delivery

### Credentials

**Reliability:** The proof of our customers delight is the reliability in our services, which forms the underlying "Mantra" in our entire system. We believe the RELIABILITY has to be a part of our entire system from Kashmir to Kanyakumari and from Ahmedabad to Aizwal. All our staff have been indoctrinated to have zeal of reliability. Any new service, any new operation, any new route is introduced after a quality check process which involves rigorous inhouse tests. We know that our success and our zeal for reliability can fail through a small human error or a weak link.

**Major factors of our Reliability:** Our own fully trained work force. Hub (transshipment centers) on major routes supported by a network of smaller hubs on feeder routes. Fully equipped warehouses with material handling systems Technological advantage through use of latest communication systems Well documented systems and procedures. Dedicated fleet strength Our aspirations are to be leaders in the industry by achieving zero error in the service we offer to our customers. To achieve this, we would constantly endeavor to improve our standards by ensuring our employees perform at their optimum ability and utilize the latest technological resources available. We will be number one and our services would be bench marked in the express industry

Dear Sirs,

**Periodic Review of Recommendation Accorded to Transport Operators**

We refer to our letter TD/70-78/58-48-A/5-12/676 dated 02/02/2012 requesting you to furnish us certain information/documents in connection with the above.

In accordance with the procedure prescribed under the Scheme and the rules and terms and conditions prescribed by the Association for recommending Transport Operators to member banks and on your compliance thereof, we have carried out the review and it has been decided to renew the recommendation in your favour for a further period of three years, from **01/06/2012 upto 31/05/2015**.

The continuance of the recommendation for a further period of three years is subject to your continuous compliance of the various obligations undertaken and also the provisions of the Scheme and the rules and terms and conditions, prescribed from time to time by the Association, with particular attention to the obligations undertaken under Form XIV and the Letter of Undertaking which you have executed in favour of the Association.

Please note that even during this period of three years, the Association has the right to carry out a review of the recommendation accorded to you at any time it thinks necessary. Moreover, if any complaint is received from any of our member banks regarding any breach by you of the obligations undertaken under the Scheme or if it otherwise comes to our notice about non-compliance of any provisions of the Scheme etc., it will be open to us to review, at any time, the recommendation accorded to you.

Without prejudice to what is contained in Para 4 above, the recommendation would be reviewed again towards the end of the three year period mentioned above and for this purpose, the relevant information/documents should be submitted at least three months before the date of expiry of recommendation.

Please note that the purpose of IBA recommending Transport Operators to member banks is to facilitate them in preparing their own approved list of Transport Operators as also in disbursement/recovery of bank finance and IBA will not assume any responsibility with regard to your Transactions/agreements with any other third party.

We enclose, in duplicate, the proforma of a letter regarding submission of necessary documents etc., for the purpose of review by the due date. Kindly return one copy of the letter to us duly filled in and signed by you, in token of your agreeing to submit the aforesaid documents.

Yours faithfully,

  
Sr. Vice-President
